WILDCAT'S TRACK 1981

Joe Walsh described Kennedale High quite accurately when he wrote the song, *All Night Long*. After a hot, fun-filled summer, each student had to change his daily (nightly) routine to enable him to *get up early and work all day*. Each student was aware by the first two weeks that he *must put his time in* if he was going to continue as a student.

As Homecoming approached, many spirit-filled students were realizing that building a bonfire meant *staying out all night long* and *longnecks and a good old song*.

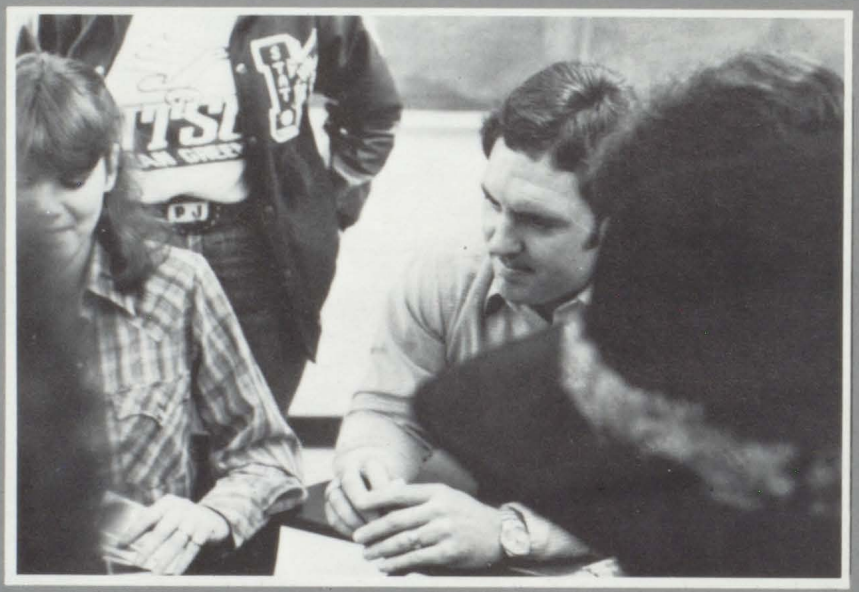

Toward Christmas break, everyone *turned up the volume* and demonstrated vacation excitement. But later, after semester finals, everyone realized that it was once again time to *take care of business*.

Then when spring came, so came the Prom, Band Dinner, Senior Trip, and for a lucky few, Graduation Ceremonies.

However, the last line of Walsh's song sums up the whole year, *we started in the morning and we got the job done*, but now that it's over everyone looks back and thinks *We Had Some Fun!*

CAFETERIA PERSONNEL and MAINTENANCE

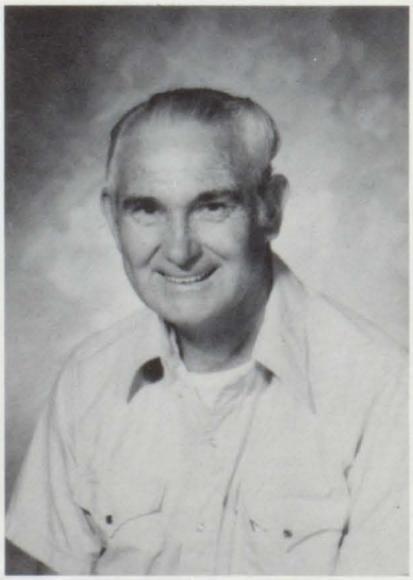

The students at Kennedale are lucky to have top quality maintenance and cafeteria personnel. Besides providing top services, they also add a touch of school spirit while doing it. Many times the cafeteria ladies took part in pep rallies and they always gave special recognition to various outstanding school groups. They remembered to congratulate everyone who won an award and they went out of their way to help the students plan parties and dances.

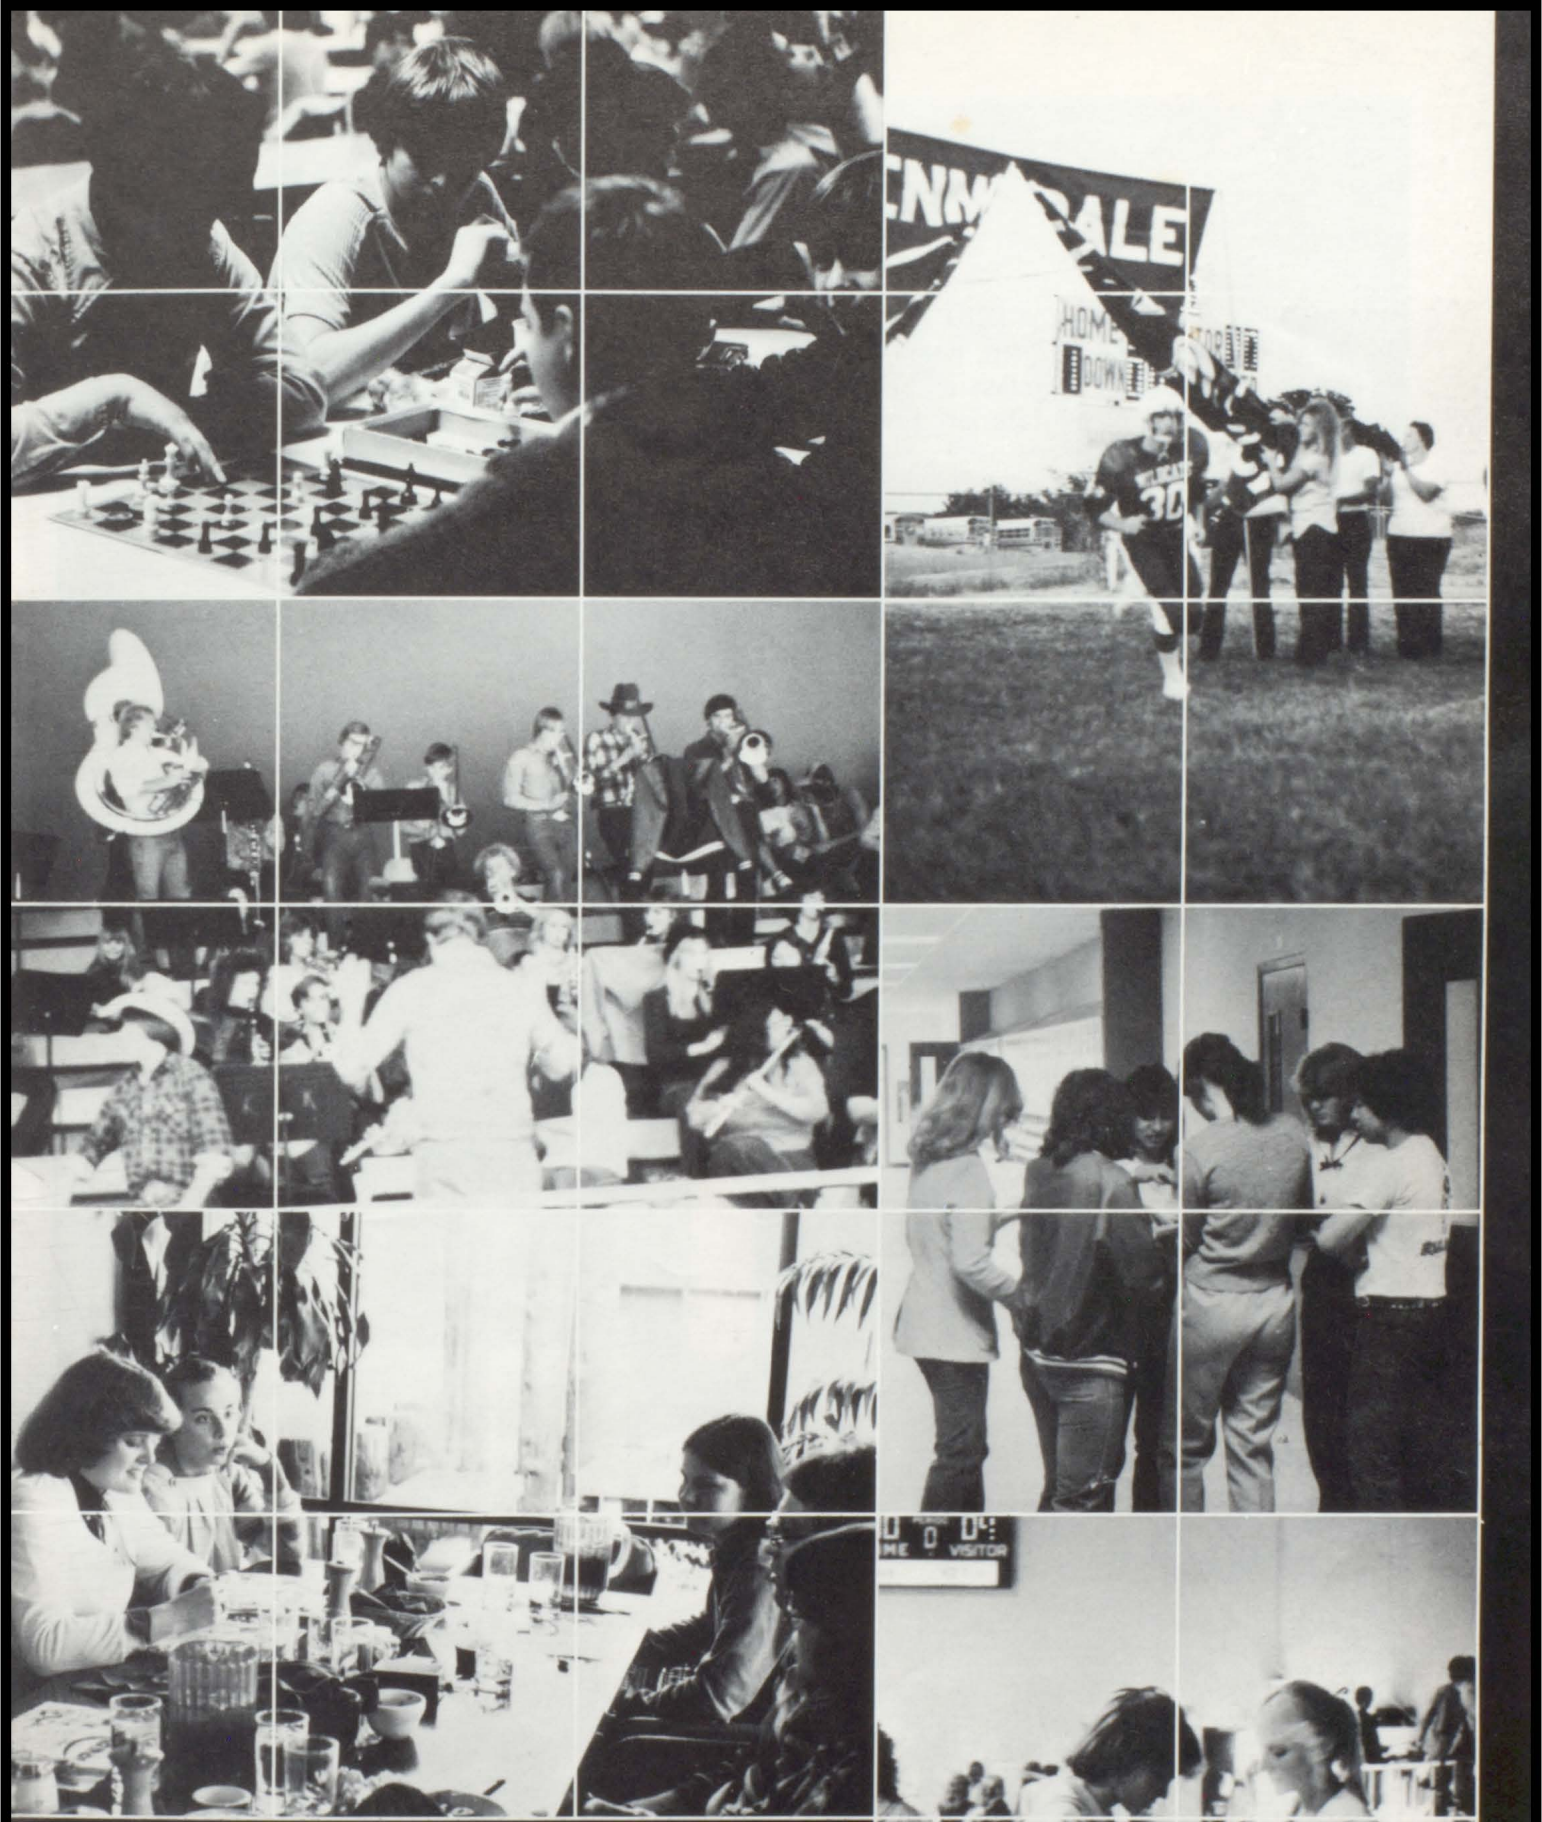

Wanda Deaver is shown taking money (top left), Francis Hill and Alta Uselton (top right) are preparing lunch, and Maxine Harvey and Wanda Deaver (bottom left) are taking a needed break.

Mr. Wilson and Richard Storey (second left) were also a big help. Mr. Wilson always had a story to tell and a smile on his face. He picked up after the students and gave them many wonderful ideas. Sometimes, he would join the girls for a game of basketball or volleyball. Richard, was the one to call when there was trouble. He could unlock any door or put up a new light any time it needed to be done. He always had a funny joke to tell.

Another help, Nolan Strhan, (bottom right) was always there to patrol the dances, fix the washer and dryer, or drive the bus. At many long mile ballgames, Mr. Strhan was the only spectator, but he was always enthusiastic.

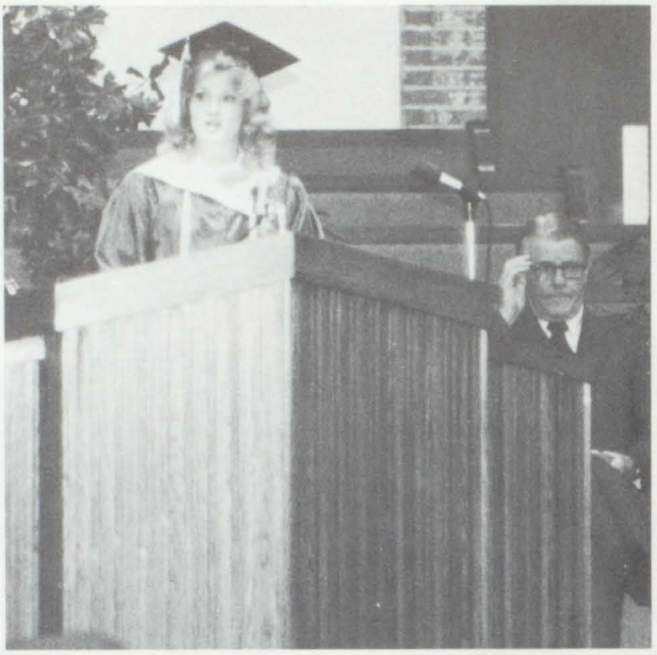

ACTIVITIES

Graduation ceremonies for 1981 were held at the Truth Church in Fort Worth. Kelli Evans was named valedictorian of her class and Kevin Wall was given the honor of salutatorian. Both received scholarship awards.

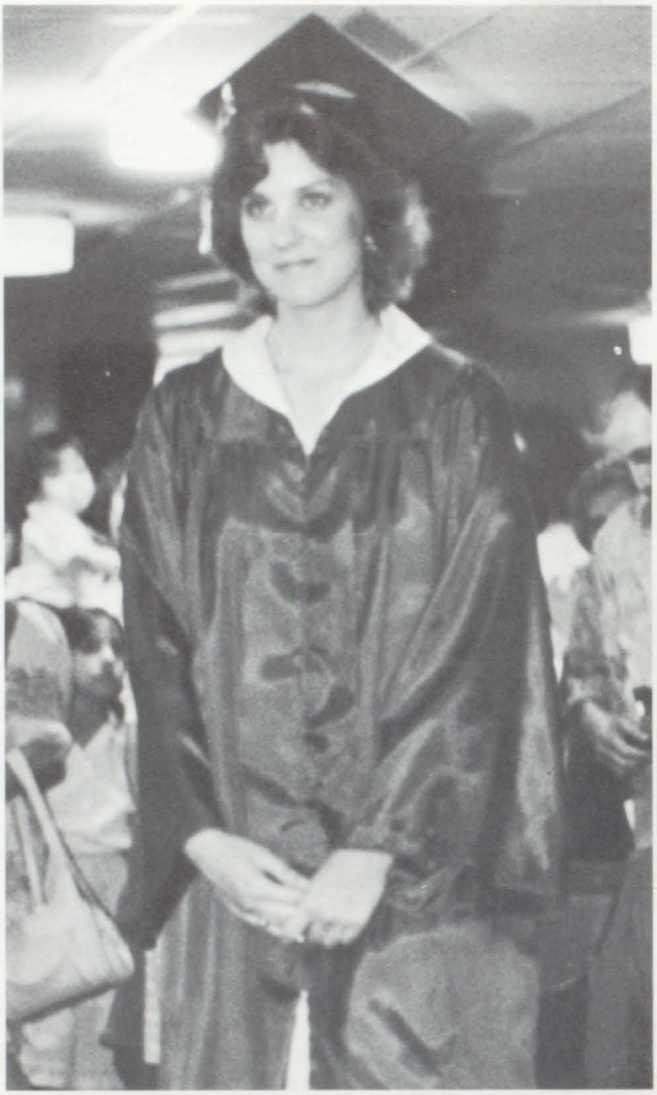

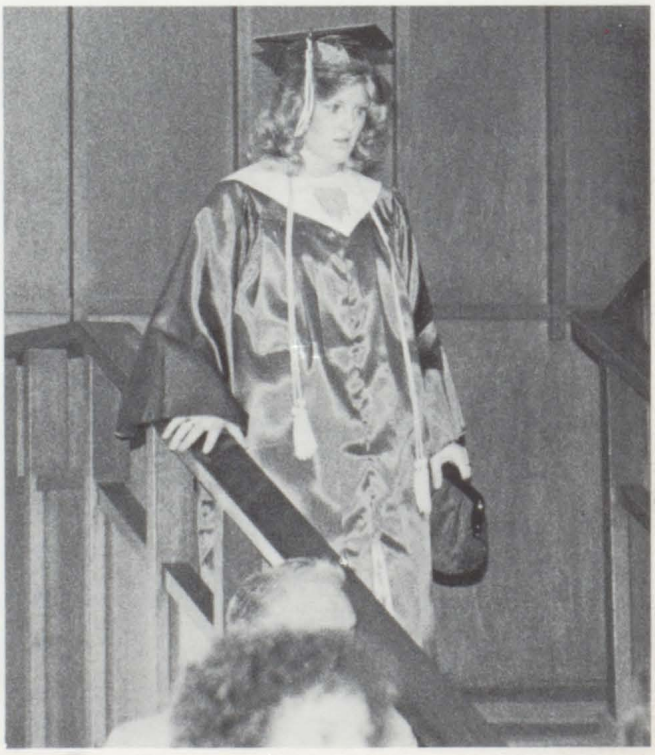

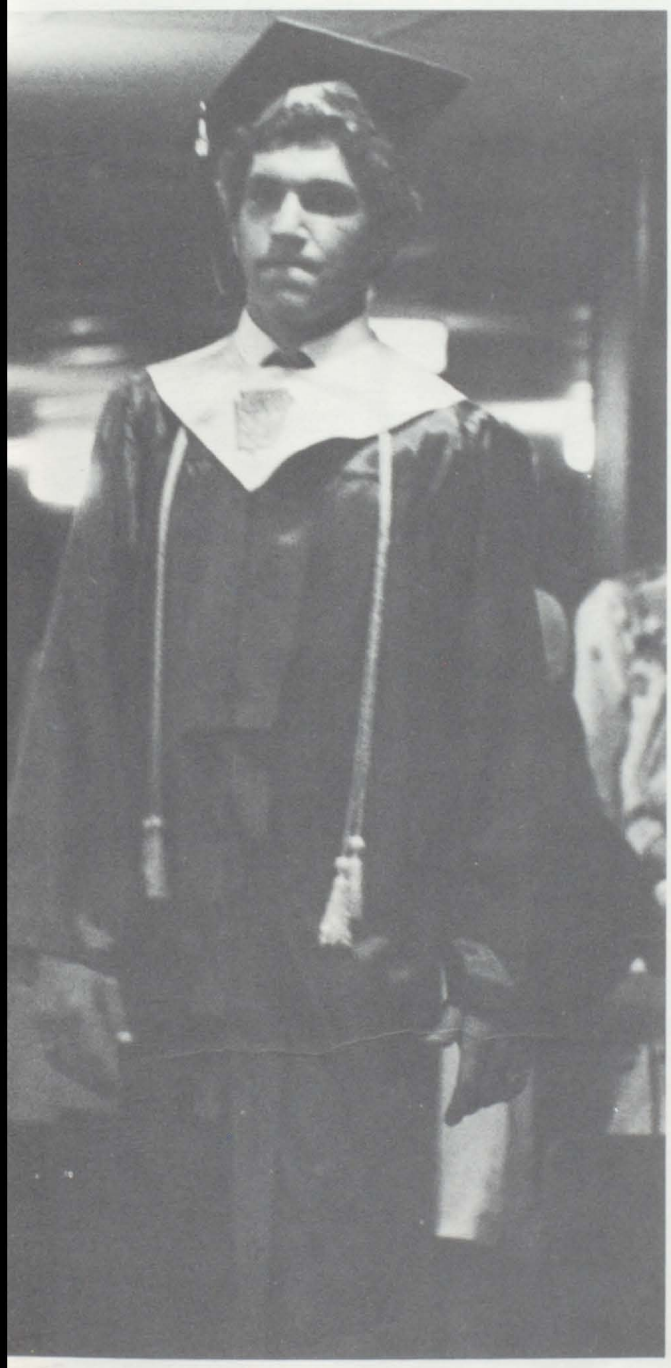

The 1981 Graduation, like many, is the moment many seniors look forward to. It marks the end of twelve long years of hard schoolwork, yet marks the beginning of new goals and opportunities to strive for. It marks the success of finishing school, yet it leaves those who made it through more doors of success to reach for. And though the seniors of 1981 said their "good-byes" to Kennedale High School, the memories and special times they had there will remain with them forever.

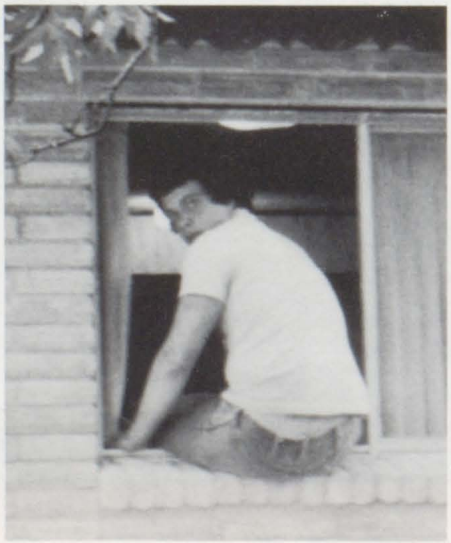

A SENIOR FREE DAY

SPENT AT THE LAKE

THE SENIOR TRIP . . .

The seniors took a trip to New Braunfels in mid May. They left on Thursday at two in the morning and finally arrived in Landa Park at nine. Each senior was tired, but they managed to find enough energy to swim, play tennis, ride paddle boats, or walk to the store. Many of the students and sponsors alike spent many hours riding the rapids on the Guadalupe River. One river trip took hours and gave all of the riders a scare. They came across a large waterfall, snakes, and rocky ledges in the water. At the last waterfall everyone decided they had had enough so they got out of the river and started the long, tiring walk back to the resort.

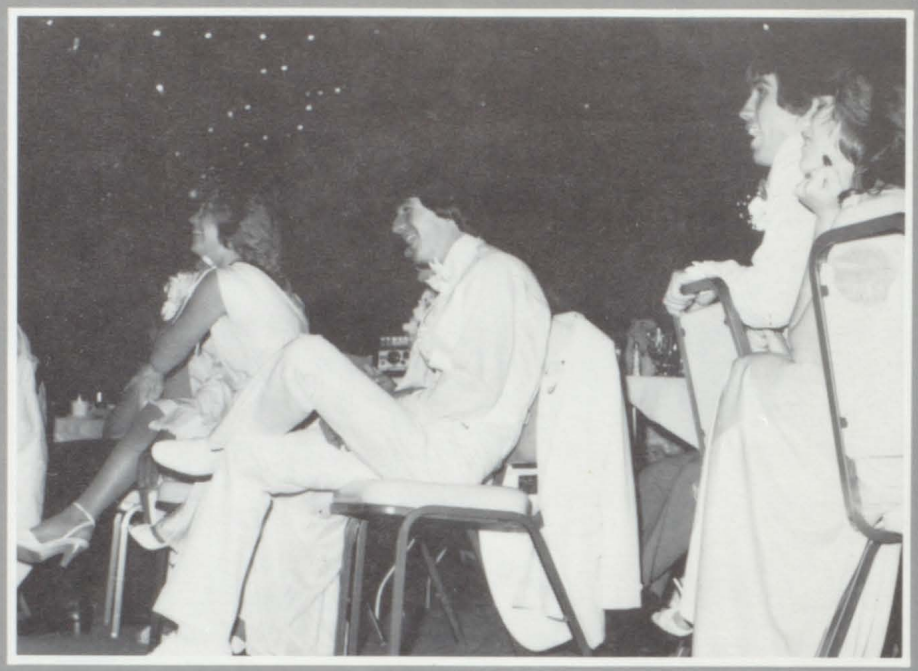

On Friday night the seniors ate at the Oak Country Restaurant where they made a toast to the class. This left a few misty eyed, but none the less happy.

The ride home on Saturday was a trip back in years. Besides water fights, a spit wad battle was started. Everyone was involved and laughing the whole way home.

Thanks to the sponsors and students the trip was a fun success.

THIS ONE'S FOR YOU

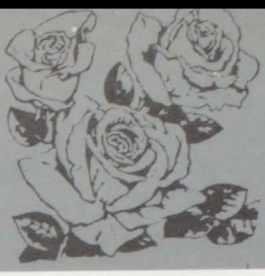

The Jr. Sr. Promenade was an exciting event for the students of Kennedale High School. Everyone was dressed in a spray of springtime colors that brought attention from the other guests at the Hilton Inn where it was held. Many young ladies were praised for their beauty and on occasion some of the young men were complimented for their attire. The entire atmosphere was that of an elegant southern ball.

The juniors, other than promoting the prom, also bought favors for each member of the senior class. These favors were small glasses with the prom date and school insignia. They were a big success and were greatly appreciated by the seniors. The juniors gave the seniors another surprise. During dinner a curly headed graduate ran in the room and delivered a singing telegram to the seniors. She did a small dance and disappeared as fast as she had arrived. The students and faculty members roared with laughter.

After dinner, the slide show, which Miss Phyllis Conaster and the Yearbook Staff put together, was shown. Many of the slides were of school life and activities, but some were quite amusingly posed. To all the students attending that night the slides will be a special remembrance because they were lost later and consequently will not be seen again.

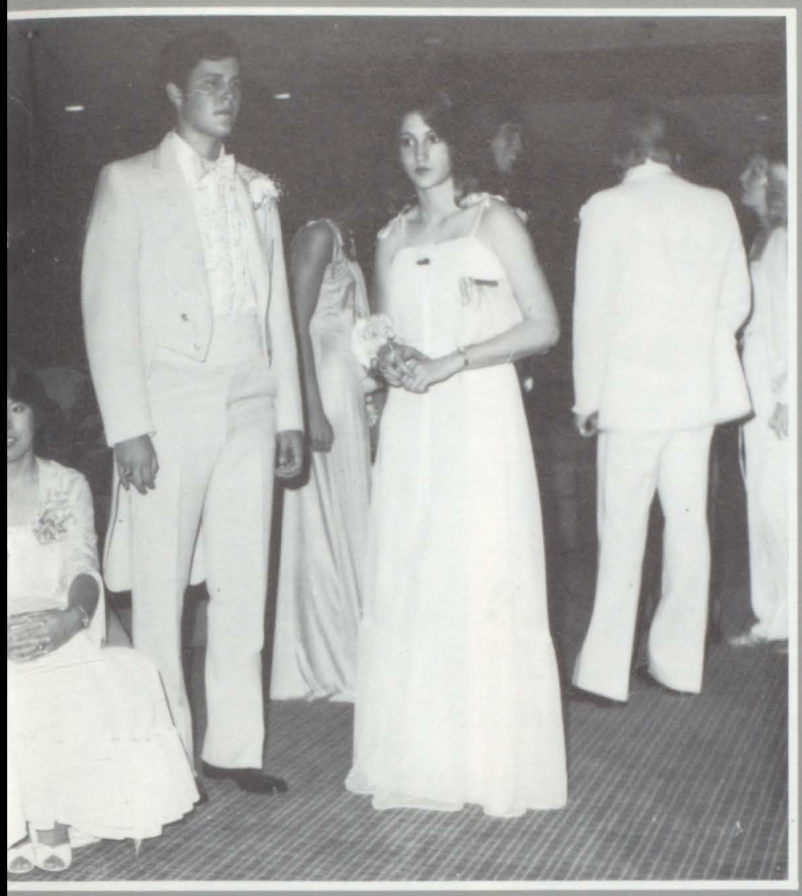

Before the dance Miss Karen Mitchell, Miss Karen Roseberry, and Mr. Tony Harvey crowned the Prom Queen and Prom King. It was announced that Miss Lisa West and Mr. Curtis (Pee Wee) Gray were the 1981 Prom Royalty. After the traditional giving of the flowers and kiss, the dance began.

The dance was mostly country given by reverberation.

A special thank you for the prom preparation will always be extended to the juniors, under the leadership of Mrs. Cheryl Kennedy and all the parents and community members who worked on the May 9, 1981, prom at the Hilton Inn of Fort Worth.

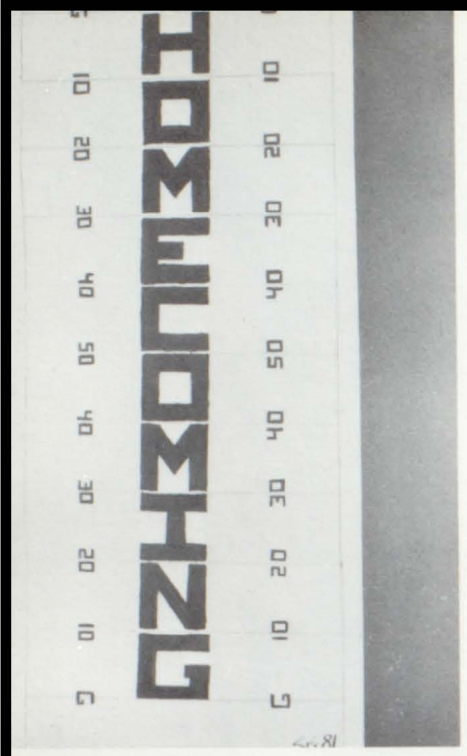

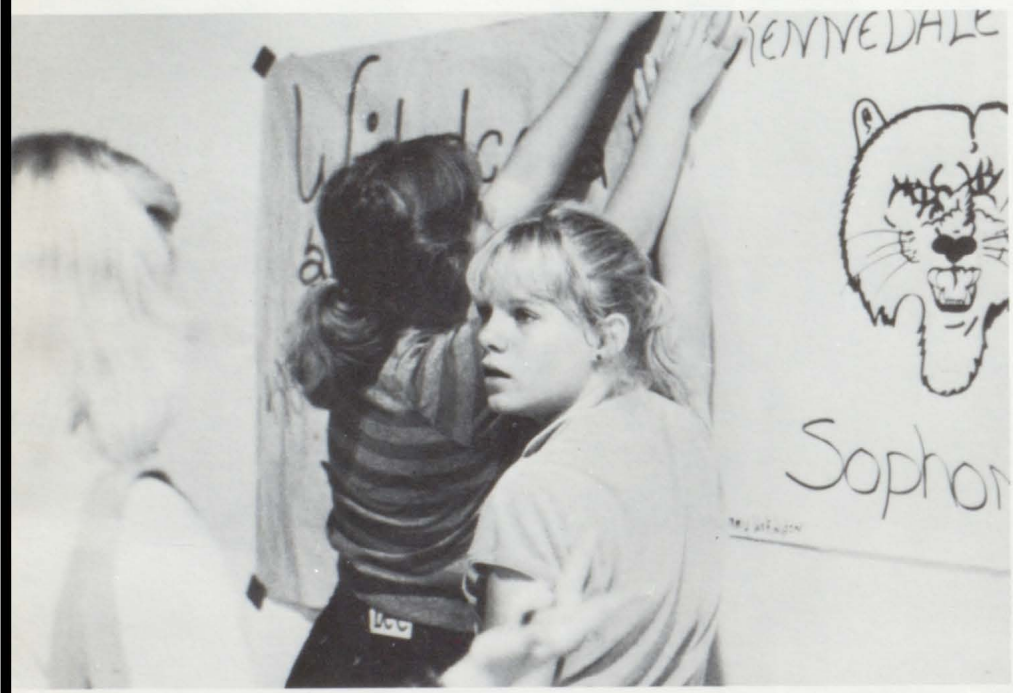

HOMECOMING 1980

Give me that "old time tradition."

For every privilege there is a responsibility.

Sophomores Amy Milligan, Robyn Cooley, and Rita Robles get into the Homecoming spirit.

2. Senior Homecoming Nominees JoLynn Chandler, Lisa Beasley, and Kim Knotts.

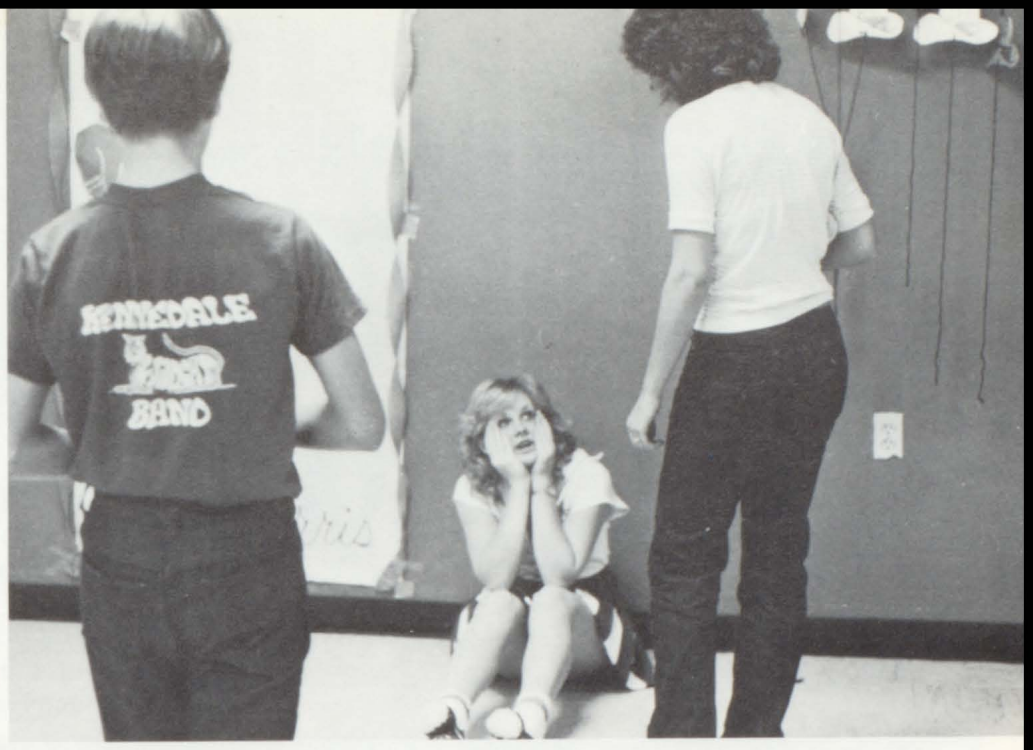

Homecoming brings excitement and fun for the whole community of Kennedale as well as for student body of Kennedale High School. Each year Homecoming season starts off with the building of the *Victory Bonfire*. Due to a harsh summer with little rain the students were told that there would be no bonfire for the 1980 game. After much crying and sneaking around for wood, the rains came . . . and came . . . and came. The bonfire was saved. But strike two was in the making. A week before the bonfire somebody burned it down. But that did not stop the students. The two nights before the bonfire were filled with work. Everyone joined in and helped gather wood. Trucks loaded to the brim with wood

HAPPENS 1981

sped down the Manfield Hwy. That still was not the last of the trouble, however. Thursday morning the high school received a call from Ken's Pallette Company where the students gathered their wood. They took the wrong wood. The students, thinking they had struck out, had one hope. They could take all the wood back. And they did. Ken's Pallette Company sent two large flat bed trucks to the bonfire site with wood which could be used and loaded up the wood they wanted back. Everything finally ended well. The parade and *Victory Bonfire* were spirit-filled and exciting with many tired students happy with the outcome.

Kelli you will make it. From here till tomorrow morning it is all party.

WILDCAT PEP RALLIES

Everybody Is Going To Dance

The 1980 Wildcat Pep Rallies started the school year off with enthusiasm and pride. With each week came new ideas to pull the student body, faculty, and community together. Each and every person that attended a *Wildcat Pep Rally* came away with an ever glowing feeling of unity.

Many new faces were added to the pep rallies. Mr. Norman Bulaich gave the spirit building speech at our first district rally and Kennedale's own ex-coach Mr. Richard English returned to address the high school body. Of course, Head Coach Robert Swain spoke to the student body in such a way it brought chills to all present. And English teacher, Mary Lou Craine, always added a touch of class with her eloquent speeches. At the last rally ex-players William West, Steve Rich, and Mark Rodgers talked to the student body on pride, loyalty, and school spirit. There were also many community members and parents who attended the *Wildcat Pep Rallies*.

The cheerleaders, band, flag corps, and twirlers boosted school spirit and led the student body in spirit cheers, activities, and pride.

AWARDS DAY

Awards day was a time teachers as well as students received honors from each other. Many special achievements were recognized that day.
One special award was given in memory of Blair McDavid and his fine accomplishment in track.
Another award was given to Terry Evans from TWC acknowledging him as one of the most outstanding juniors in the area of Tarrant County.
But this year's award day's most touching moment had to be the last speech given by Coach Robert Swain. Tears were shed, but the memories of that day will remain with all who attended.

SENIOR TEA

The senior girls of Kennedale High School held a Senior Tea at the First Baptist Church of Kennedale. Mrs. Gen Boyd was the guest speaker at the event. Cake and punch were served while the mothers and daughters visited with each other. The boys' mothers along with the girls' mothers were invited to attend.

DANCES

PARENTS

Many students take part in the extracurricular activities at Kennedale High School. Dances are a big part of the fall sports season and spring holiday festivities. Everyone gets involved and enjoys the fun and excitement of the night. Parties and get-togethers are also a welcomed blessing from schoolwork and jobs. Parents also play a role in the lives of the students by participating and helping in the school activities.

GET TOGETHERS

PARTIES

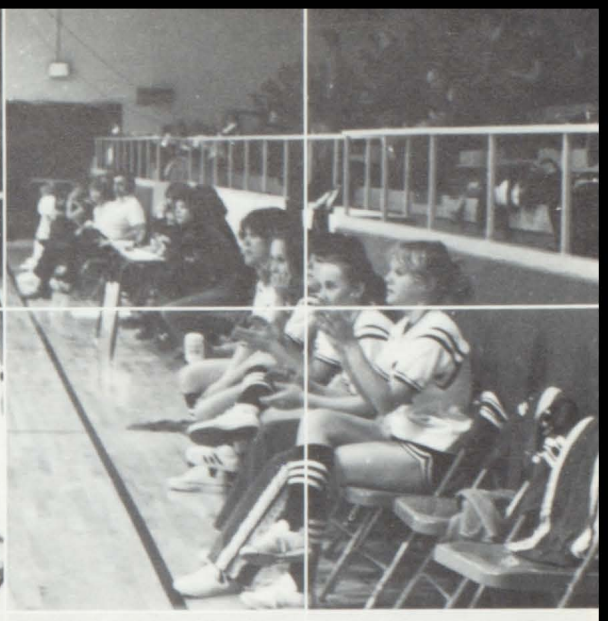

Upon entering the business world, a person must have a good background of knowledge. It is the purpose of Career Day to provide such knowledge and introduce the students to the decisions that they will face after graduation. Representatives from colleges, businesses, industries, and other occupational organizations come together to allow the students to question them about the advantages that each has to offer. It is an enjoyable day in which everyone is involved.

VARSITY FOOTBALL SPIRIT COMES ALIVE

After the ball!

As always, August brings a feeling of excitement and expectation to those who love football. Team members look forward to the competition and contact soon to be taking place. The conversation among the players about the challenge of the upcoming season brings mass enthusiasm.

For the Kennedale Wildcat senior football players the last session of two-a-days is at hand. They take their places as team leaders as the seniors before them have done. After a week of "soft" practices, the pads go on and the season is underway.

It could be said that whereas Odessa has "Mojo" for protection we have an albatross for injury. Key starting senior players were hurt in preseason and the underclassmen of Kennedale High School were again put to the test.

At the close of preseason, the Wildcats came away with a 2-2 record. The first 500 season since 1974 seemed at hand. However, more injuries occurred and positions were shuffled. Two district wins brought the final record to 4-6.

Next year brings Coach Robert Swain's fourth season as head-coach. Every participant in the football program will have spent their entire football career under him. This should prove to be the true example of his ability to make "men" out of "boys" and "gentlemen" out of "prima donnas". Coach Swain and Coach York worked many long hours to build a football program, but the football was not all they built. They helped bring about pride and school spirit in the student body.

QUARTERBACK CLUB OFFERS

BANQUET

DAD'S NIGHT

The Kennedale Quarterback Club is a vital part of the athletic program in Kennedale. Every year, this organization, made up of concerned, volunteer supporters, assists the coaching staff of Kennedale in billing necessary inventories of equipment and supplies. Weights, uniforms, medical supplies and general athletic gear are a few things the Club provides.

In addition to this, the Q.B. Club endows services at athletic events. Concession stands in Kennedale are considered unmatched by other schools in our district.

Although many of the things the Q.B. Club does goes unnoticed by the general public, the athletes of Kennedale would like to take an opportunity to thank each member for the work done each year.

J.V. FOOTBALL THOUGHTS

The Jr. Varsity football team began its season of play with a scrimmage victory over Blooming Grove, 1 touchdown to none. They obtained two more victories against Springtown and Lakeworth before district play began.

Pre-district play, however, had taken more than its usual toll in injuries, and a weakened team faced Midlothian in its first week of district play. The J.V. fell to the Panthers that week by a slim margin of five points. They bounced back the following week to humble the Alvarado Indians with a 36-7 victory. The final victory of the season came to the Wildcats as they defeated the Red Oak Hawks 15-14.

The freshman football team showed enthusiastic pride during their first test at high school football. They worked long hard hours in the latter part of August, just to prove that they were truly matched for competitive ball playing. Small in size meant nothing, because they were big in guts. They kept up the race and proved after many victories that they would be a very promising varsity team for the future.

Susan Esters was chosen 1st team All-District; Kim Knotts was chosen 2nd team All-District, and Karen Mitchell was chosen Honorable Mention. With much experience returning next year, they hope for an even more victorious season.

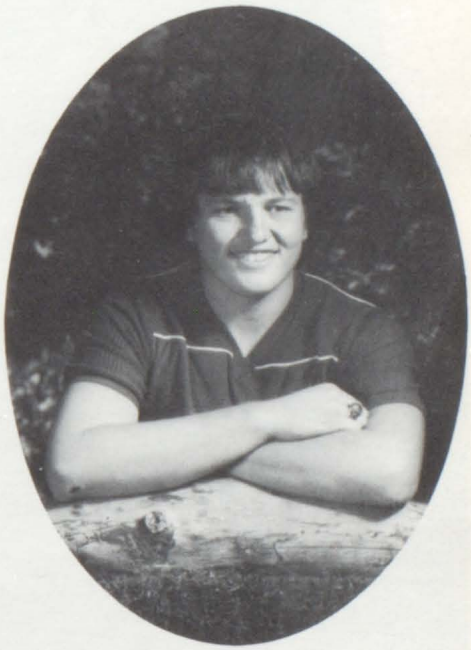

This year Philip Biondi was chosen their volleyball beau. His concern and support was greatly appreciated.

The 1980-81 season was one of frustration for the Wildcats. However there is a new trophy in the trophy case as a result of the championship win at the Glen Rose Tournament. Each player received a gold medal for his participation. Although, the final score was not what they would like it to have been, the last game of the season against Cedar Hill was indeed the most exciting.

VARSITY GIRLS BASKETBALL

The 1980 — 81 season proved it would be something special when freshman Michelle Torres made the varsity team. This year's varsity team was a young one with only four senior players: Kelli Evans, Phyllis Conatser, Susan Esters, and Kim Knotts. There were three juniors, two sophomores, and one freshman. With a total of only ten team members they proved time and time again that they could hold their own. Under the direction of senior captains Susan Esters and Kim Knotts, they brought home a consolation trophy from the Glen Rose tournament and won first place at the first annual Kennedale Varsity tournament. From their display of leadership, determination, and sportsmanship it can be safely said that the varsity girls represented Kennedale High School as only true athletes could.

In order to have a strong varsity team, a well rounded program must exist on the junior varsity level. Each J.V. player will be a varsity player in the future. That is why each one works hard to learn skills in eye-hand coordination, body control, quickness, and shooting skills. Thanks to the effort by Coach Alan Atchison these ball players are improving and becoming an excellent varsity team of the future.

YEARBOOK

Upon the shoulders of the members of the yearbook staff rests the responsibility of preserving the memories of high school. In no better way can the flavor of school life be tasted once again than through the pages of the yearbook. It takes many hours and much hard work to develop a yearbook worthy of the student body of Kennedale High. Without a dedicated staff, there would be no yearbook, and that would close one of the most valuable doors that lead to the past.

STUDENT COUNCIL

The student government provided many civic services this year. When the Pope family lost their home in a fire, clothes and groceries were gathered and delivered to them by the student government. Also, at Christmas time, the student government participated in the annual food drive for a needy family.

Officers are: President, Lisa Beasley; Vice-president, Dawn Nelson; Parliamentarian, Reporter, Tony Evans; Secretary, Karen Roseberry; Sponsor, Charles Mays.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization made up of academic honor students. These students sponsor an annual blood drive which gives blood credits to the school. Anytime a student, faculty members, or community member needs blood, the school credits are already available.

The officers are hardworking seniors (top right) Katie Jernigan was president, Kelli Evans was vice-president, Phyllis Conatser was secretary, and Kevin Wall was treasurer.

IN ACTION . . .

The Kennedale Wildcat Band adds color and excitement to the Kennedale High School and Kennedale community. This year they introduced a new way to show our school loyalty and pride. At first it came as a shock, but it slowly caught on. During one of the first pep rallies Band Director, Ron Burns, had the band lead the students in *singing* the Alma Mater instead of playing it on their instruments.

VARSITY

Debbie Nelson – Soph. Kathy

Although the Varsity cheerleaders were few in number, they worked hard to build school spirit throughout the student body and community, as well as the athletic teams.

This year the girls won many awards during competition at the Universal Cheerleader Clinic at East Texas State University. They placed superior for every evaluation, received superior overall squad rating, and brought home the spirit stick. The spirit stick is given to selected squads for outstanding performance, demonstration of school pride, and overall enthusiasm.

The girls were under the sponsorship of Mary Lou Craine.

The Junior Varsity Cheerleaders worked hard to promote spirit and enthusiasm at the freshman and J.V. football and basketball games. They made signs and were also the main leaders of the Varsity pep rallies. Each time a need for leadership arose the girls were there to help out.

At summer camp they ranked high for cheer movements and even higher for spirit. They were a true asset to the program.

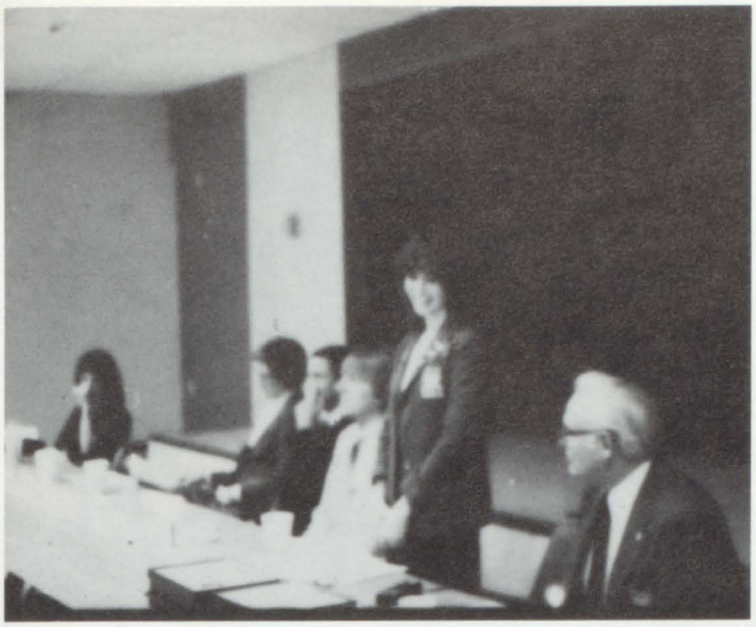

VOCATIONAL INDUSTRIAL CLUBS OF AMERICA

Industrial Cooperative Training is composed of Juniors and Seniors who attend classes half day and then work on a training job the other half and receive a full credit for their classes and work. Mr. Britton supervises the classroom work and works with the employer to assure the training of the student in his/her chosen skill.

Evidence of the training in the classroom and on the job is seen in the competative activities of the Vocational Industrial Clubs of America conducted on three levels, district, state, and national.

1980-81 competition has shown great results for VICA students. Twenty-one students entered 58 contests at district level and received 49 awards. Sixteen students qualified for the Texas State VICA Skills Contests held at Dallas on April 2-4, 1981. These sixteen brought back to our school 25 awards. Kennedale placed first in the Outstanding Club contest, and will represent Texas at National VICA Skills Olympics in Atlanta, Ga. in June, 1981. This particular contest involved all ICT students for the whole year to accomplish 21 areas of work in the VICA program. All students participated in the total program.

Seven VICA students received the American VICA Degree from national headquarters. This is the highest award available to high school students and takes two years to complete. Fifteen students received the Committeeman-Operator Degree, the highest award a first year student can receive.

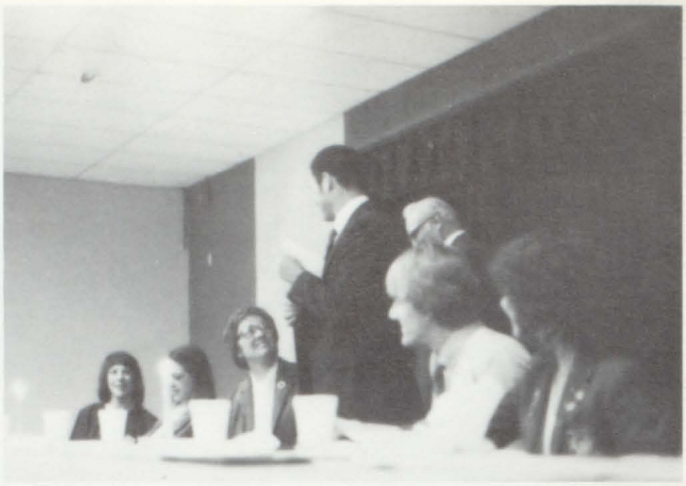

George Bell received the VICA award for the 1980-81 school year because he received eight awards for his contests participation, cooperation and VICA achievements. George David Deaver received the ICT award for 1980-81 because of his outstanding performance, consistency, advancement and attitude toward his trade. He is currently enrolled in a second-year course in welding at TCJC, having passed over the first year course because of his knowledge and skill.

Trophies and placques won this year are in the trophy case; duplicate ribbons for each student's winnings hang on the wall in the ICT room.

PERSONALITIES

Mr. and Miss K.H.S. . . .

Curtis Gray and Kim Knotts

Mr. and Miss K.H.S. is the highest honor given by the student body to a senior boy and girl. This honor reflects studiousness, integrity, pride, and good character. It is synonymous to a model student. Mr. Curtis Gray and Miss Kim Knotts were chosen to receive this honor in 1981. Mr. Jeff Roberts and Miss Kelli Evans and Mr. Randy Pistokache and Miss Susan Esters were Mr. and Miss K.H.S. nominees.

"Most School Spirited" means just that. A lively, active boy and girl who demonstrates loyal support and concern about all school affairs. This year this honor went to Mr. Jeff Roberts and Miss Rhonda Garrett.

A friendly person loves life and its excitement. They are courteous and share a happy smile with everyone they meet. Mr. Drew Thorne and Miss Karen Mitchell deserve the honor of "Most Friendly."

Athletes have a silent desire to win. They persevere and sweat even when the rest have given up. They are genuine leaders. Mr. Darrell Bowlin and Miss Susan Esters were voted the honor of "Most Athletic" by their fellow athletes.

Hard work, ambition, and desire are necessary for success. Patience as well as a little pushiness are also part of being a success. This year Mr. Jeff Roberts and Miss Kelli Evans were given the honor, "Most Likely to Succeed."

As a continuance to our "Urban Cowboy" theme all the personality pictures were taken downtown at the White Elephant Saloon. The White Elephant has been around since the days of the cattle trails and is still located near the Fort Worth Stockyards.

HOMECOMING QUEEN 1980-1981 MISS KIM KNOTTS

Homecoming is one of the most exciting times of the year for the students at Kennedale High School. Everyone gets involved in the activities and anticipates the football game with the crowning of the Homecoming Queen. This year there were 3 senior nominees running for Homecoming Queen. They were Lisa Beasley, JoLynn Chandler, and Kim Knotts. In the Homecoming court, there were two princesses representing the junior, sophomore, and freshmen classes. They were Karen Mitchell and Teresa Hall, junior princesses; Nicole Stevens and Tracy Seales, sophomore princesses; and Michelle Torres and Donna Tidwell, freshmen princesses. As the crowd's anticipation builds and the girls are all on their toes, the announcer tells us that Miss Kim Knotts is the 1980 Homecoming Queen. She is crowned by the 1979 Queen, Miss Diane Garrett.

CLASSES

HOMEMAKING

The Homemaking classes for 1981 learned such various household skills as cooking, sewing, consumerism, and child development.

The stage band consisted of several band members who got together to make different sounds with somewhat peculiar instruments. Though their time was limited, they successfully accomplished a different sound at Kennedale High School.

STAGE BAND

Many students enjoyed participating in non-competitive sports within the physical education program of Kennedale High.

PHYSICAL EDUCATION

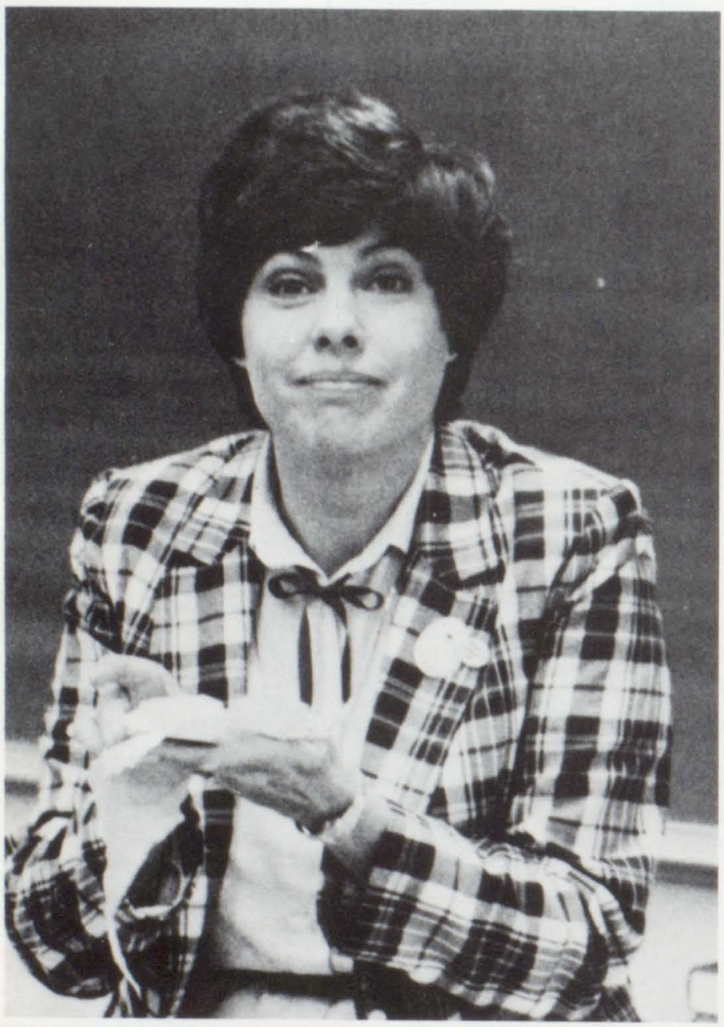

ART

The Art Class of 1981 used many different mediums in their study of art and its different forms. They used clay, water color, and charcoal to express the feeling for art that each has within.

Speech class lets every student get involved. Many times students are asked to pantomime, put on plays or give speeches.

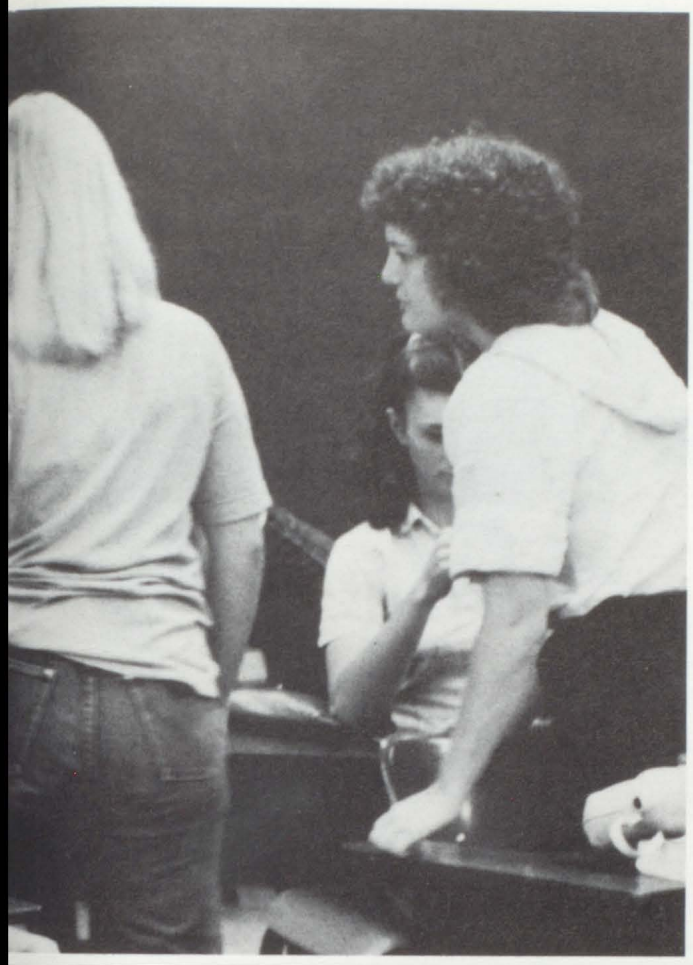

FRENCH

The 1981 French Class met in the language lab, where they had the privilege of participating in the only second-language course offered at Kennedale High.
